Membership Terms and Conditions Basic Provisions

Any violation of the rules by a member may subject the member to suspension or forfeiture of their membership.

Good order, proper attire, decorum and consideration of the rights and comforts of others must be observed at all times.

A towel must be used on benches at all times.

Enclosed shoes are required in the Community Centre in all areas except the toilets and showers. Bulloo Shire Council will not be responsible for loss or damage to any personal property belonging to a member.

Any complaints regarding the conduct of gym personnel or a member or guest should be reported directly to Bulloo Shire Council.

All members assume an inherent risk of injury while participating in gym activities.

All participants are strongly urged to have regular medical check-ups and carry medical insurance coverage.

Members shall not bring any food into the facility at any given time.

Beverages consumed during workout must be in a container with a lid, any spills must be cleaned immediately.

A member may only make use of equipment if they are familiar with the safe and proper use of that equipment.

Access and Entry

All members must carry and use their key to access the facility and use of all equipment within.

If a member's key is not produced, photographic identification must be provided for cross-checking against membership records.

Use of facilities may be denied without proper identification.

Keys may not be shared.

Anyone found using someone else's key will be asked to leave the facility.

This could also warrant suspension or termination of a member's membership.

If a key is damaged or lost, the \$20.50 security deposit fee will not be refunded.

No tailgating (following other members in after they use their access key) is allowed.

Members are expected not to allow other people to tailgate.

Gym Equipment

Members shall pay for any loss or damage to property which they or their guests are responsible.

No property shall be lent to any member or guest for any reason without the expressed permission of Council.

No property or furniture shall be moved from or to the facility without the approval of Council.

Buddy System

Council encouraged the use of the buddy system during all individual workouts.

Members should communicate with their partner(s) if they become disoriented, strained, stressed, short of breath or dizzy.

Injuries

If an injury occurs in the Centre, members should contact gym personnel immediately as per contact details on the notice board.

An Incident Report Form should also be completed and submitted to Council within 24 hours of the injury.

Pre-Exercise Screening and Informed Consent Form

Upon applying for membership, all members must complete and sign a pre-exercise screening questionnaire and informed consent form.

Any areas of concern identified through the pre-exercise screening questionnaire will require written confirmation from an appropriately qualified physician to confirm that the member is able to participate in gym activities.

Use of the Centre shall be at the members' own risk at all times.

Payment

A member is responsible for the payment of their membership fees as per Council's Current Fees and Charges. Payment is to be made in advance at all times.

Frozen Membership

It is possible to freeze an annual membership due to medical reasons, upon the presentation of a medical certificate. An annual membership can be frozen for up to six months (nine months for pregnancy), and is automatically activated once the agreed frozen period ends. A membership cannot be frozen in retrospect.

I agree that the information declared above is true and correct and I have read and understand all terms and conditions of the membership of Bulloo Shire Council.
