Notice to Tenderer: Collection, Use and Disclosure of Information

1. **Information Privacy**
 - 1.1 *The Principal collects personal information and non-personal information in the Tender so that it can properly conduct the procurement process and otherwise carry out its functions as a local government authority. The Principal is authorised to collect this information under the Local Government Act 2009 (Qld) (LGA) and the Local Government Regulation 2012 (Qld). The information in the Tenderer's Tender will be accessible by employees of the Principal and third party personnel engaged to assist the Principal in conducting the procurement process or otherwise carrying out the functions of the Principal. Information in the Tender may also be disclosed in accordance with the Procurement Process Conditions and as required by law, including the Local Government Regulation 2012 (Qld) (LGR) and the Right to Information Act 2009 (Qld) (the RTI Act) as described below.*
2. **Publication and display of relevant details under Local Government Regulation**
 - 2.1 *The LGR provides that the Principal must, as soon as possible after entering into a contractual arrangement worth \$200,000 or more (exclusive of GST) publish relevant details of the contract (including the person with whom the Principal has entered into the contractual arrangement, the value of the contractual arrangement and the purpose of the contractual arrangement) on the Principal's website and display relevant details of the contract in a conspicuous place in the Principal's office. The relevant details must be published or displayed in this manner for a period of at least 12 months.*
 - 2.2 *The Principal may also be required to make documentation and information contained in, or provided by the Tenderer in connection with, a Tender (including documentation and information identified by the Tenderer as confidential) publicly available where that documentation or information is:*
 - (a) *discussed in a local government meeting (as that term is defined in the LGA (Local Government Meeting));*
 - (b) *included in a report or other document that:*
 - (i) *relates to an item on the agenda for a Local Government Meeting and is made available to councillors or committee members for the purposes of the meeting;*
 - (ii) *is directly relevant to a matter considered or voted on at a Local Government Meeting; or*
 - (iii) *is presented at a Local Government Meeting for the consideration or information of the local government or committee; or*
 - (c) *otherwise required to be disclosed pursuant to a provision of the LGA or the LGR.*
3. **Disclosure under Right to Information Act**
 - 3.1 *The RTI Act provides members of the public with a legally enforceable right to access documents held by Queensland Government agencies (including the Principal). The RTI Act requires that documents be disclosed upon request, unless the documents are exempt or on balance, disclosure is contrary to public interest. Information or documentation contained in or provided by a Tenderer in connection with a Tender is potentially subject to disclosure to third parties, including documentation and information identified by the Tenderer as confidential. Any application for disclosure will be assessed in accordance with the terms of the RTI Act.*
 - 3.2 *Notwithstanding any other provision of the Tender Documents or a Tender, if a Tender is accepted, the Principal may publish on a Queensland Government website or by any other means, contract information including:*
 - (a) *the name and address of the Principal and the successful Tenderer;*
 - (b) *a description of the goods and/or services to be provided or works to be carried out pursuant to the contract;*
 - (c) *the date of award of the contract (including the relevant stages if the contract involves more than one stage);*
 - (d) *the contract value (including the value for each stage if the contract involves more than one stage and advice as to whether any non-price criteria were used in the evaluation of Tenders);*
 - (e) *the procurement method used; and*
 - (f) *for contracts with a value over \$10 million, the contract, or summary information in respect of the contract, between the Principal and the Tenderer.*

Schedule M – Tender Program

This Schedule forms part of the tender evaluation and must be completed by the Tenderer.

The Tenderer shall submit a detailed Tender Program with their tender submission. The Tender Program shall detail the Contractor's proposed work schedule which demonstrates the work will be completed in the allocated contract period. The Tender Program shall include sufficient detail for tender analysis and be in a form as necessary to show:

- The duration of each activity in working days;
- The sequence of interdependent activities;
- The plant and labour resources proposed for each activity;
- Milestones which identify significant events including completion of separable parts.

The tenderer shall provide demonstrated evidence that they have, or are able to provide, the appropriate level of resources to complete the Contract Works within the specified timeframe. This shall include personnel, and plant and equipment resources.

The proposed program of works shall also allow for other commitments which the Contractor may have within the contract period to ensure all Contract Works can be completed within the required timeframe.

Schedule N – Project Essentials / Planning Form

This Schedule forms part of the tender evaluation and must be completed by the Tenderer.

The Project Essentials / Planning Form is attached separately as an Excel spreadsheet.

Schedule N of the tender documentation contains a form designed to assist Tenderers to plan and deliver the Contract Works. Tenderers are encouraged to use this form to plan the deliver the Contract Works and inform their tender submissions.

Tenderers are required to submit this form at the time of tender submission with the relevant sections completed.

Tenderers shall note that the form contains sections which need to be completed at tender time and other sections to be completed if the Tenderer's submission is successful. When requested to do so the Tenderer shall provide the completed form within the stated timeframe.

The form will be used as part of the tools available to the Superintendent's Representative to manage and supervise delivery of the Contract Works in consultation with the Contractor.
