## Q & A – T2024-2025-111 Register of Pre-qualified Suppliers 2025

**Q1.** Can you confirm if this would apply to Bitumen Sealing subcontractors please?

**A.** Any purchases over \$200,000 ex GST must go out to tender. However, if there are small reseals/seals that come under this amount and isolated jobs, it may be worthwhile.

**Q2.** Are you able to confirm that all our documentation for the Pre-qualified Suppliers 2025 is up to date and there is no other information required?

**A.** (Existing prequalified supplier) You will have to email [tender@bulloo.qld.gov.au](mailto:tender@bulloo.qld.gov.au) before 4pm on Tuesday, 25th February 2025, with your updated COC's (e.g. current public liability insurance, other insurances), and include a list the categories of goods/services you provide with no price if it's not feasible.

E.g.:

Groceries – Prices Vary  
Cleaning Products – Prices Vary  
Hardware – Prices Vary  
Gardening Supplies – Prices Vary  
.... – Prices Vary  
.... – Prices Vary  
.... – Prices Vary

Even if your COC's are up to date on file, please supply regardless with the list of goods/services provided. The list is to confirm you are still supplying these items for the next year and to add anything additional.

**Q3.** We were talking yesterday regarding the pre-qualified supplier tender. We want to give it a go as discussed, however we don't exactly fit into any of the categories. We are fleet, disposals, auctioneering, remarketing etc. Is there someone we can fit in? Also, somewhere we can put our rates?

**A.** With your tender response submission, please create and submit your own schedule of rates, listing the categories mentioned and provide a price if feasible.
