Terms and Conditions

1. A skip bin can be delivered for a period of seven (7) days.
2. Forty-eight (48) hours' notice is required prior to hire period, subject to availability.
3. Hirer must be eighteen (18) years of age or over.
4. Payment of Hire Charge is to be paid upon application prior to hire period.
5. Council staff have no authority to waive hire fees. A written application to Council is required.
6. Should the hirer require the skip bin to be emptied during the hire period, then an additional fee will be billed to the hirer.
7. Should the hirer require the skip bin for longer than the original hire period, then an additional fee will be billed to the hirer.
8. Hire fee and additional costs are based on shire operator and plant costs to deliver and collect the skip bins.
9. Any damages incurred during the hire are to be the responsibility of the hirer and repairs will be undertaken in accordance with clause 10, which is below.
10. If the hirer shall fail or neglect or refuse to make good or repair any damage for which they are responsible as referred to in clause 9, the Council shall be at liberty to repair and make good the equipment, and the hirer shall pay to the Council upon demand all costs reasonably incurred by the Council in doing.
11. The hirer will indemnify and keep indemnified the Council from and against all actions, suits, proceedings, claims and demands which may be brought and maintained or made against the Council:
 1. By any of the servants or agents of the hirer for any cost occasioned by or arising from the use of the equipment
 2. By any person or persons arising out of or occasioned by any act or omission on the part of the hirer, their servants or agents or the failure of the hirer, their servants or agents to observe these terms and conditions; or
 3. By any person, when using the equipment.
7. Each skip bin must only be filled LEVEL with the top of the skip bin and no higher (i.e. water level).
8. Asbestos cannot be placed in the skip bin. Any asbestos must be removed by a qualified person and that person must contact Council in regards to the removal and disposal of all asbestos.
9. No liquids (e.g. paint and chemicals), tyres, batteries or gas bottles are to be placed in the bin.
10. Waste type is not to be mixed in the skip bin (e.g. do not put green waste in with general waste). The skip bin must be emptied before putting a new type of waste in it. Please see the Skip bin guide to understand what is part of the different types of waste.
